Thank you for your interest in Adventist World Aviation, and our missionary program. Please read through the information contained in this Missionary Packet of Information carefully.

Basic Qualifications:

- A life committed to Jesus Christ
- Spiritual maturity with evidence of spiritual growth
- A desire to know and do the whole will of God
- A committed and growing Seventh-day Adventist Christian
- Eagerness and ability to share the gospel and the Advent message and lead people to Christ
- A good working knowledge of the Bible and the writings of Ellen G. White
- Sensitivity to God's leading in your life
- Possess the faith to know that an impossible task is possible with God
- Involvement in a local Seventh-day Adventist Church

Personal Traits:

- Willingness to learn and serve
- Willingness to follow leadership and supervision
- Willingness and ability to take initiative and responsibility
- Willingness to interact positively with fellow workers and church administrators
- Adaptability and flexibility to changing situations entirely beyond your control
- Tenacity (sticking with it when the going gets rough)

Medical Conditions:

- General good health with no pre-existing conditions, other than those noted. A doctor's certificate is to be obtained after applicant is approved, but before final appointment.
- Emotional stability
- No physical disability or medical problem that will hinder successful performance, be aggravated by a change in geographic location or weather, or create excessive responsibility for AWA.

Technical Prerequisites:

- Meet educational and training requirements applicable for job position or project needs.
