The Fix Family

Family Hike

Hello AWA friends and family,

I hope everyone is happy and blessed. While we as Christians know that we can be happy and blessed every day, there are many that question that as they look around at the world and events taking place. The world we live in is going crazy. Am I right? Wars and rumors of wars, famines, and pestilences, and earthquakes, in divers places. I've never seen the world in such upheaval in my short 29 years than I have in these recent years. The general populous is unsettled and protesting about a number of things. People are immoral in all levels of society and it's showing. If there's a time when the prophecies of Matthew 24 are being fulfilled, it is now! Not only those prophecies are being fulfilled, but the prophecies of Daniel

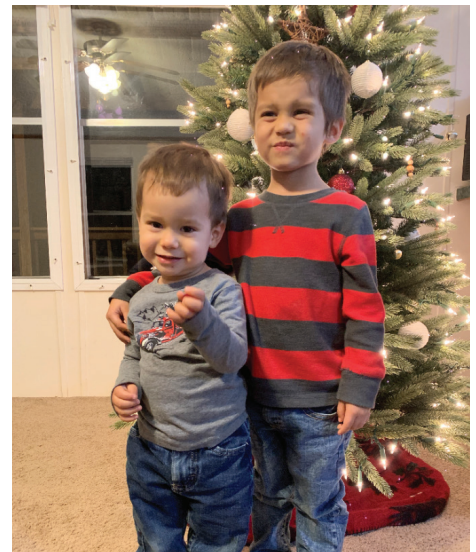

and Revelation are also being fulfilled. We must know what they are because through these things are an opening to peoples' hearts to help them open up to Christ (2 Peter 1:19) and they help us to be prepared and to not be deceived (Matthew 24:4...). I would recommend an old book to you that has been a blessing to me in studying the prophecies titled, "Daniel and the Revelation" by Uriah Smith. It comes with a list of endorsements from a lady named Ellen White who is held by our church as messenger of God. Through her endorsement I came to the reading of this book by Mr. Uriah. For Ellen White's endorsement, see First Manuscript Releases, pages 60-65.

So! In the face of a world being turned upside down and people going crazy - maybe even you included,

Future Tree Man

how can you hope to bring sanity to your life, let alone anyone else's? Well there is Good News folks. There's an answer. It's Jesus! Now I could stop here like so many people do, but if I'm in a bad place in life and need a serious helping hand that doesn't cut it for me. I don't know about you, but I need some details.

Christmas

We don't have time here to go into every detail, but we'll try and cover a few important details about the Savior of man. To start with, He left His place in heaven as next in authority to the Father to be made in the likeness of sinful flesh, not the nature of angels, but the seed of Abraham so that as He, Himself being tempted, could help those who are tempted. Not only this, but He paid the price for all the sins that have been committed, through His death on the cross. Now, you may say that it is all good and well, but Christ is in heaven and I am here all alone. Here are some encouraging words in John 14:18. Jesus says, "I will not leave you comfortless: I will come to you." Through His Spirit, Christ comes to all those who believe on Him and through this union with our spirit, we can be empowered with the fruits of the Spirit; love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance and not only these, but the gifts of the Spirit to His church as well! Wisdom, knowledge, gifts of healing, working of miracles, prophecy, discerning of spirits, gifts of tongues.

GYC

This is just a brief idea of what Jesus can do through you. The question now is, "do you believe"? Without faith it is impossible to please God. Surrender to His will and have faith in His ability to work through you. Jesus is right by your side and will help you through anything. He's been there and knows what it is to feel pain and suffering and to feel tempted. He can literally get you through anything to have you

in heaven with Him when it's all over. That's why He came here!

Please pray for our family as we seek to give this same awesome message to the people of the Philippines. We need this message and they do as well! Pray for us as we seek to reach people off the beaten path with aviation.

Sincerely,

Josh and Yosy

PRAYER REQUEST: That God would guide us by His Spirit and open the way before us to bless the people of the Philippines.
