

*Kyle's View on the Way to the Philippines*

*Pathfinder Plane in Shipping Container*

Hello Friends,

We hope everyone is blessed and knowing it! We live in a fast-paced world where the knowledge of God is easily forgotten. Even during the hard, confusing times, God is still good and manifests His goodness in amazing ways. We've had quite the journey since I quit my full-time job at the airport, and started doing tree work for myself as well as other odd jobs. God has always sent work just when we needed it. It's been amazing. We would find money that we didn't think we had and it would show up just in time for bills! God is so good!

The Pathfinder plane arrived safely in the Philippines in preparation to bless the people there physically as well as spiritually. A team of mechanics from AWA including Kyle Stephenson, Tom Meighan, and Ray Young traveled there and worked very hard to put together the wings and tail that were removed for shipment.

As that was being done, the runway was also being worked on at the AWA airbase. Having a safe place to operate out of to go on missions of mercy is critical.

They still need a full time mission pilot, so please pray for us as we're seeking to fill that need. We're so close now that I've completed my flight training. I am now a licensed commercial pilot as well as a licensed aircraft mechanic. I praise God for helping me all the way with these accomplishments.

Please keep this project in your prayers as we're not out of the woods yet, and truly we won't be until we see Christ coming in the clouds.

Pray that the AWA project will be a light in a dark place, and that we will bless others with the gifts we've been given in the way of the tool called aviation and also the truths for these times.

We're excited to have a chance to share God's last message of warning to the people of the world. The Lord is coming quickly! Has anyone else noticed how the world is in constant turmoil these days? People are looking for answers and, by God's grace, you and I can be the sharers of truth that the world needs so much. May we be found among those who keep the commandments of God and the faith of Jesus.
