

# Guyana Mission Project Report

## Goodies for Guyana

Sister Caroline from Great Britain has a heart for her fellow Guyanese family. Early in January, Sister Caroline put together two plastic barrels, one large box and a large suitcase to help the people in the interior, in Region 1, Barima Waini.

Books, wonderful books for the children! Sister Caroline's desire is to have a reading room so the children have access to books to read. A bookcase will be built and a reading area designated in the AWA Worship Center. What a wonderful blessing!

Other goodies include clothes, shoes and non-perishable food items. Now more than ever, with the pandemic affecting the whole world, we praise the Lord that God's people are still stretching their hands across the globe to help their fellowmen. The Venezuelan refugees *desperately* need continued support and assistance, as do the Guyanese people who are experiencing less work due to the implemented isolation/stay at home mandates.

## Three Faithful Stewards

With travel restrictions in effect worldwide, our AWA mechanics, inspection team and missionaries are unable to travel to Guyana to conduct the required inspections and to continue the flight and ground-based mission work. However, our local trusted partners are standing in the gap to ensure the safety and security of our planes, Lifestyle Learning Center and hangar. Brother Stoll together with his wife Sister Janeth, who live next door (30' away) keep a daily watchful eye on all the AWA assets. Brother Stoll also tends to the grounds and Worship Center to ensure all are kept clean.

Brother Norman, who leads Sabbath worship services, and who lives in the same community as our AWA mission base, checks on the safety and security of the mission base and assets. Brother Norman and his large extended family have become quite good at reporting suspicious activities. Finally, Alfi from

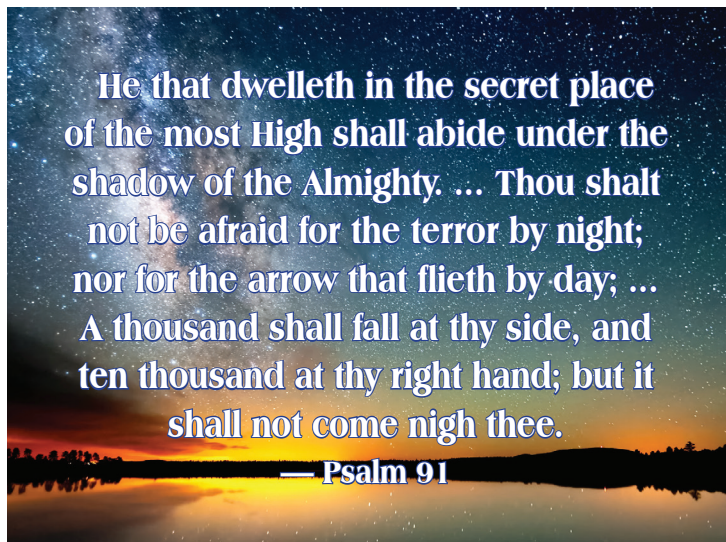

Barabina makes visits a few times a month to tend to any repairs and extra cleaning of the hangar and the exterior of the Lifestyle Learning Center.

Please help us pray for these three faithful AWA stewards entrusted with the Lord’s “talents.”

### Coronavirus In the Jungle?

In the interior of Guyana, in the township of Mabaruma, the coronavirus has also struck. Everyone, please be safe and practice social distancing as much as possible as well as good hygiene and proper diet and rest. If possible, get plenty of time in the sun breathing fresh air, exercising and drinking lots of water. Most of all, during this time of isolation we encourage each person to draw closer to the Lord by spending time in the Word of God, meditating on Him and praying.

He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty. ... Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day; ... A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee.

— Psalm 91

**PRAYER REQUEST:**

For the new missionary family God has chosen to take on pilot and mechanic duties at our Guyana project. A highly trained Air Transport Pilot is being considered and we are seeking God’s will for him and his life and whether God is calling him for service with AWA.

**PROJECT NEEDS:**

Missionary families: Short term or long term that are called to serve. For short term, we are seeking for a commitment of 2-6 months. For long term, we are seeking for a commitment of 4-6 years.
