

Enrique, Nicaragua Project Manager, is a man on the move.* Traveling to different areas to see where he can be of assistance and to determine the needs of the area, Enrique is very busy.

Worshiping on Sabbath in the Kisalaya Seventh Day Adventist Church, he praises God for the opportunity to serve. After service, he went to pick up a sick person in Kururia to do a medical evacuation.

Then He said to them, “What man is there among you who has one sheep, and if it falls into a pit on the Sabbath, will not lay hold of it and lift it out? Of

how much more value then is a man than a sheep? Therefore it is lawful to do good on the Sabbath.” Matthew 12:11,12

Early morning on Sunday, Enrique sets out to help cut trees for lumber for the building project. They work hard and long together to complete the task over many days. Starting with worship at 4:30am, he shares Jesus with those around him.

Even every one that is called by my name: for I have created him for my glory, I have formed him; yea, I have made him. Isaiah 43:7

Going from one day helping to harvest corn in the jungle at Yulu, Atlantico Norte, Nicaragua to another day, aiding with yard work at a friend's residence in Managua to visiting Pastor Gabriel Gamez and the whole staff at the Noroccidental Mission of the Seventh day Adventist Church in Nicaragua in beautiful Matagalpa, Matagalpa, Enrique is on the go constantly.

With new duties each day for the Alas Sobre Nicaragua ministry, it could range from picking up Bible school materials to visiting Betania Rio Wawa, Puerto Cabezas. Planning for the continuation of the church building is a priority.

May God give us favor to get this done soon. There will be held a Leadership Seminar, October 10-11, 2020. Pray for God's favor.

Thank you for your prayers and support! They are the means to reach the people with the precious love of God here in Nicaragua. We are warmed by you support and know that many more will be reached. To God be the Glory!

God bless you all,

Enrique Olguin-Sanjuan
