The Lord Bless and Keep You This New Year!

*“I can do all things through Christ
who gives me strength.”*

—Philippians 4:13

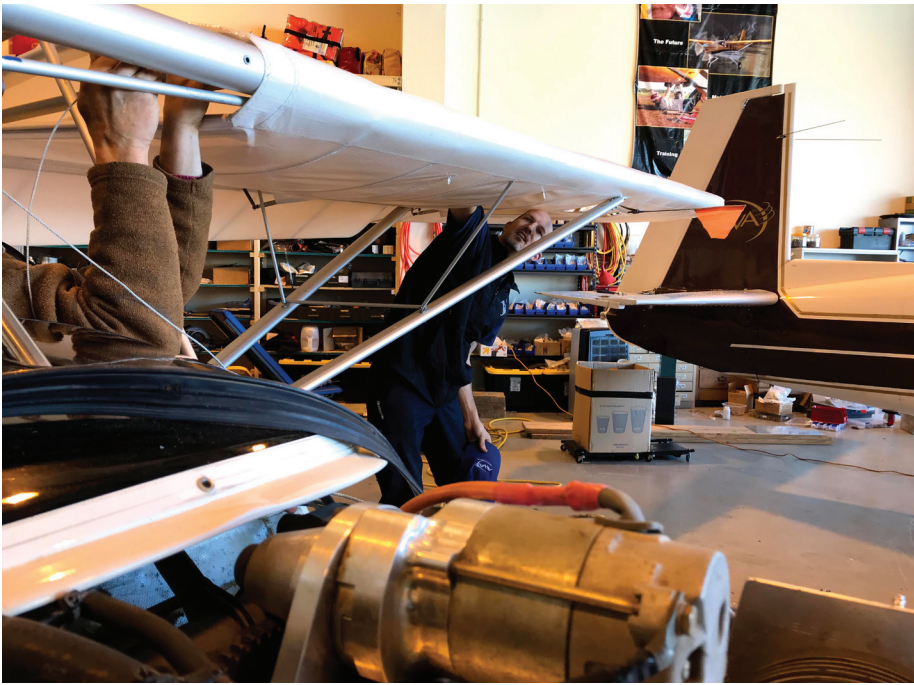

We want to take a moment and look at an incredible fact that’s too good not to share. As the momentum of Jesus’ soon return is rapidly picking up, we want to encourage each one of you—our AWA family of supporters and prayer warriors with the grandeur of God’s design.

These times we’re in right now - know that you are not just a part of it, *you were designed into it...* because not only does God want you in His kingdom, but He has called you to life for such a time as this. You were not meant for Abraham’s day, Solomon’s day, Jeremiah’s day,

Christ’s day, John Wycliff’s day, Martin Luther’s day, nor Mrs. White’s day. You, beloved child of God, are meant for right now, *here in this exact time*, to be a partaker of the Three Angels’ Messages going to all the people of the earth. Why? Because God fit you with exactly the right capabilities for the hour that is upon us.

For Kyle and I, we see that there is no better time for us to be alive than now because we were made for this day and age. The work we are doing despite the climate of the world is a testament that we need to be right where God has us. The work we did last year—Kyle digging heartily into God’s flying assets, fixing problems that never before had a solution, God using him to make a way where before there didn’t seem to be one, simple fixes that no one had thought of, touching hearts of those we both flew for angel flights, my work in the office that lifted my colleagues and our supporting family, and much more—this has all been God’s design to do a special end time work.

For each of you that are with us on this journey, you are vital. **You** are **vital** to the work we're doing, because you are doing it with us. Your prayers push us forward when the going gets really tough and your mission-minded stewardship of His funds that you give make the prayers a reality. You are all so important and for that we thank you from the bottom of our hearts! Thank you!

This year there may be some extreme challenges we'll face. We were challenged last year with being unable to travel to our bases so Kyle could do annuals on planes or work needed on some aircraft. Yet, whatever comes our way, we are keeping our sights set on Christ and His victory at the cross.

As we face an unknown year, we invite you to remain with us in your support. We invite you to take a step of faith and perhaps for the first time, commit to supporting the Lord's work He's called us to in the Great Commission. We are soldiers in these end times, spiritual soldiers to spread the Three Angels' Messages by the means He sets before us. Let's walk together across the battlefield and straight for His Kingdom!

Onward and upward dear friends!

Until next month!
