

God Answers Prayers, by Edgar

Covid19 restrictions have hit hard in Palawan. The government has imposed many harsh restrictions; including cutting off nearby villages from the town of Aborlan including our village of Sagpangan. The government has set up fences to limit access to and from the village. It has been mandated that anyone ages 17 and younger, and 60 and older, must stay inside their homes. Jaime and Rosalina, who we have written about (see the Q1/ Q2 Airways at flyawa.org), fall under these restrictions. Their big problem is that they have no one who can go out and shop for them. An even bigger problem is that Jaime must still work for basic needs like food and medicine.

Jaime knows that although the government may restrict their comings and goings, one thing it cannot restrict is his faith in God. He believes that “all things work together for good to those who love Him.” Romans 8:28 Jaime prayed about his and Rosalina’s predicament. God answered Jaime’s prayer by sending a kind donor to help! They were so grateful. They wrote a note of thanks in Tagalog, which translates:

“To the loving sponsor, I, Jaime Manuel and my wife, Rosalina Manuel, are sincerely grateful for your great help and financial sharing and the family appreciates it much. It really helped and solved our problem so that we could continue to buy my wife’s much-needed medicine. I praise the Lord and I thank Him because He used people to help

us financially, people with golden hearts and with love, despite our old age and poverty you were there to generously help. Thank you very much! May the Lord bless you. Respectfully, Mr. Jaime and Rosalina Manuel”.

Through the donor’s help, we could buy the medicines that the Manuels needed. We also bought a 50 kg sack of rice. Praise God for the immeasurable blessings!

Please continue to pray for us, for Jaime and Rosalina, and for the youth as we train them for His ministry. Thank you and God bless you all.

Spiritual Warfare, by Christine

Late Saturday night, I received a message of prayer for one of our CARE group Bible interested persons who was experiencing attacks from the devil. The following morning, our Pastor asked the group to conduct a service to minister to her. We prepared ourselves with confession and asking for clean hearts through God’s Holy Spirit. We asked God to bless us before meeting Alona. We sang songs of God’s might and power over sin, while our pastor conversed with Alona and prayed for release from the trials and temptations of the devil.

On Friday, a day before her baptism, Alona was overwhelmed again by Satan’s attack. Our pastor, along with a layman and two other people battled in prayer for her. After many hours, through the power of God’s Word, prayer and promises of relief and peace, Alona felt free from the evil presence.

The following day, the Sabbath, was a special, joyous, and overwhelming day for our baptismal candidates and our CARE group participants. On that day we rejoiced in the baptism of Alona and three precious souls who accepted our Lord as their Savior.

“If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.”
— 2 Chronicles 7:14

“Put on the whole armor of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.” Ephesians 6:11, 12

Editor’s note: The experience of demon possession is very different in other countries than what most are aware of in North America. God and Satan are at war and the attacks of the enemy are very real and experienced differently around the world.
