

“ASK”

by Rebecca

***“You do not have
because you do not ask.”***

—James 4:2.

Success starts with showing up; victory begins with owning it. When we work with all the tools God has given, His goodness assures us that we will accomplish that work through His provision. We are asked to act in faith, be patient in the Lord, ask, and He will reveal it in His.

God has given us many things at AWA. We are blessed to do His will! One of the more precious tools we have is our aircraft. We can't fly and save lives, serve, and make a difference unless they are in proper working order.

God has called and provided Kyle to help maintain His fleet at HQ. However, he is just one man. God is accomplishing amazing things through Kyle, who, with the right parts, has done fantastic work keeping God's fleet up and running.

AWA's flagship, the Piper Comanche, or as we all know her, the Toku-Hana, needs some thorough attention. We use her for our Angelwing flights, one of which is coming up shortly. Do you remember Melanie? She will need aid in getting to an appointment post-cancer and continues to need our services. The Toku-Hana is the best travel solution for her. This is our dilemma.

One of the upgrades Kevin is adding to the Toku-Hana is a GPS unit. What sits in the panel is outdated and will be replaced with a newer unit that complies with IFR (Instrument Flight Rules).

The airplane also needs a CDI (course deviation indicator) to allow the GPS to provide critical IFR flight information to the pilot. Finally, there is a need to do a complete rewiring of the electrical system. This is no small task.

This effort takes time and financial support to see it through. *We have the parts*; the only catch is they are not all in our possession...yet. The funds needed are in the wallets of faithful stewards who can financially bless God's ministry here at AWA. So, friends, we are asking you now to open those wallets for such a time as this! Thank you for your support and all that you will contribute to this project!

PRAYER REQUEST

Prayerfully consider a financial contribution for the Toku-Hana that we can continue to serve as we are called.

Thank you for your support and prayers!

Until next month!
