

A POSITIVE VISIT

Bruce, Jeff, Kyle, Pastor Deyvid and Cesar returned home safely to their respective homes after their unforgettable visit to Guyana. Each man was touched positively in various ways about their experiences and time mostly in the interior of the Barima-Waini Region.

Pastor Deyvid conducted the 2nd communion service ever at the Worship Center. It was a high Sabbath indeed! Afterwards, Pastor Deyvid went over the requirements, processes and procedures so that Elder Veron could conduct a communion service for the Hobo Hill members more often than waiting three years.

Two outreach events were conducted by the five-men team assisting Veron in Hobo Hill and Lesa in Barabina. It was a fun time walking the various communities, meeting local folks and gaffing together. Cool coconut water refreshed them from the high humidity tropical weather.

Kyle and Jeff plan to come back with Ray to finish the annual on 82HS. The five-member team agree that there is an urgent need to build a hangar gate to protect the two mission aircrafts. Due

to the high cost of steel, it will take a lot of money to build one.

Pastor Deyvid's flight training should be complete within the next six months. Cesar is firming up his plans to return with his family. Finally, another missionary couple or family would make a complete team. Only God knows and in God's time will this be revealed.

Thank you for your loyalty and devotion to the Guyana Project. Your partnership, support and most importantly, your prayers are much appreciated and needed.

God is good; all the time!
