

## Guyana Mission Project Update

### EXCITING NEWS FROM MABARUMA, GUYANA!

The Adventist World Aviation/Wings For Humanity project has certainly seen difficult days. The days were full of uncertainty caused by the pandemic, but the storm is finally beginning to pass. There are many plans in the works to have both aircraft flying again soon, serving the community. For that to happen, we count on your prayers and financial contributions. Thank you in advance for your support!

So one of the factors that has brought us great joy was interacting directly with all church members in the area. The local pastor is leaving

the district, so all the churches have met in the same place on Sabbath morning. We were given some time to talk a little about what we have to offer to the community, and the excitement from the members to see us back and active is evident. That makes us excited too! But the biggest news is that Rob & Sue, our new missionary family from Brazil, will be embarking on August 24th, 2023, on a pre-deployment assessment visit to Mabaruma for service in Guyana.

Rob and Sue are a young couple committed to God. They are coming to Mabaruma with

the desire to serve the project in many capacities, including running the center of influence, using their talents as musicians, and also serving the community using their medical knowledge and qualifications. Bold plans are being put into place, like having small groups in each home. This will be an extension of the church serving the local community, as well as training the small group hosts to help the community.

Above all, we most want to share that our efforts and prayers for the community in Mabaruma are constant as we carry forward the powerful message of Matthew 28:19-20:

**“Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”**

Thank you for your loyalty and devotion to the Guyana Project. Your partnership, support and most importantly, your prayers are much appreciated and needed.

***God is good; all the time!***
