

## LET THE BLESSINGS FLOW!

Ray and I met Erikca while visiting La Tronquera, Nicaragua. She lives in the Miskito community where the Nicaraguan Project is located.

Erikca is a vibrant, young person who attended the local SDA community church. At a young age, she set her sights on higher education beyond the small community school she attended. So when she reached out to AWA to support her in taking Business Administration, we didn't hesitate. The decision was made to help her with her education. We reached out in faith, sending her the much-needed funds.

Giving her the funds upfront ensured she could register for the upcoming school year in Puerto Cabezas.

We then sent a prayer request for Canadian donors to also participate in changing this young person's life.

Thankfully, the prayers were answered. The blessings flowed in from donors, and there was sufficient support for the years ahead.

We enlisted Cesar Levy, Assistant Manager and now a missionary in training in the USA who also lived in Puerto Cabezas at the time, to give her continued funding each semester.

Erikca diligently stopped by Cesar's place of business and would snap a picture of herself holding the funds and then sending it to us to show she had received them. We looked forward to seeing her smiling face, knowing we were helping someone better themselves. AWA wants to thank you for changing the life of this young lady. We couldn't do it without you. In the future we hope to support many more young students and with your help that can be possible.

Below is her translated testimony in English and her original submission in Spanish.

The LORD bless thee, and keep thee: The LORD make His face shine upon thee, and be gracious unto thee: The LORD lift up His countenance upon thee, and give thee peace.

—Numbers 6:24-26, KJV

Hello, my name is Erikca Brautigham Moses. I am from a small community called “Tronquera ” located near the municipality of Waspám, Nicaragua.

In 2013, I was blessed with a scholarship from AWA to study high school at an Adventist school in the city of Puerto Cabezas, and thanks to that scholarship, I completed my high school, obtaining a diploma of honor... in 2019, I entered the university to study the career of Business Administration with a specialty in International Trade, the course lasted from 2019-2023 and during those academic years, I also obtained a scholarship from AWA... that scholarship allowed me to study, learn and be a professional today... in 2023, I graduated. I also got an honorable mention for being one of the best students in the university.

I am very grateful to God and those who are part of AWA because I know that just as they allowed me to study, they have given it to many more children. I hope they continue to contribute to the education of many children who, like me, want to study and one day be professional.

May the Lord give you many blessings. Thank you for everything.

Hola, mi nombre es Erikca Brautigham Moses, soy de una pequeña comunidad llamada “Tronquera” ubicada cerca del municipio de Waspám, Nicaragua.

En el año 2013, fui bendecida con una beca por parte de AWA, para estudiar la secundaria en un colegio Adventista de la ciudad de Puerto Cabezas y gracias a esa beca culminé mi secundaria obteniendo un diploma de honor... en el año 2019 entré a la universidad para estudiar la carrera de Administración de Empresas con especialidad en Comercio Internacional, la carrera duró del año 2019-2023 y durante esos años académicos, también obtuve beca por parte de AWA... esa beca me permitió estudiar, aprender y ser una profesional el día de hoy... en el año 2023, me gradué y también obtuve mención honorífica por ser una de las mejores estudiantes de la universidad.

Estoy muy agradecida con Dios y con los que forman parte de AWA porque sé que así como me dieron la oportunidad de estudiar a mi, se la han dado a muchos niños más, espero que sigan aportando a la educación de muchos niños que así como yo, quieren estudiar y algún día ser profesionales.

Que el Señor les de muchas bendiciones. Gracias por todo.
