

God's Phone Number

Jeremiah 33:3

I recently saw an interesting quote on the internet and a Bible verse that backed it up. It said, "Did you know God has a phone number?" It is Jeremiah 33:3

"Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not." KJV

What a powerful verse that shows us that God hears us and is available to answer when we call him any time, day or night.

During one of our worship meetings, we called on God in prayer for guidance. How should we improve our reach to more people when we do public outreach? We

felt impressed to publish and share monthly appeal brochures for each Project on top of our phone calls and personal newsletters.

We based the brochures on the Focus on the Future grid concept in the Airways magazine. Each month will feature meaningful content

• Annual maintenance costs

• GPS Flying in the Northern Ontario region is difficult with the ever-changing weather patterns. Dotted with multiple lakes, fog, low clouds, wind, snow, and rain it can hinder the pilot at any given moment.

• Full-time mission-minded pilot with IFR skills

• Mission-minded family with an aviation background to be project managers

• Funding to keep the cupboards replenished in the church food bank, along with clothing and personal living supplies.

God bless you in your mission to spread the gospel with us. *Onward and upward!*

FOCUS ON THE FUTURE

January 2024 Project Appeal

Each month, Adventist World Aviation will feature one of our ongoing Projects. This month, we are focusing on our Canada Mission Outreach at the Northern Ontario Project in Sioux Lookout

wait to learn about His mighty power and things that may await you...The phone line goes both ways.

After your thoughtful prayer, we encourage you to call AWA to share in a monthly, caring donation. Here is our phone number, 778-753-6564

Call us, we look forward to hearing from you.

and needs about each project. Our goal is to keep you better updated to help you make a well-informed choice when contributing.

The first brochure sent out was on the “Northern Ontario Project,” and, by now, you would have received it. I encourage you to hold it in your hands, make the call to God in prayer, and listen to His powerful voice message. We know your impactful contributions have made a difference in the past. We have faith that God has great plans for the Northern Ontario Project, He just needs to receive the call to give direction.

I know I rely on my direct phone line to God. When I call, I leave a voice message and wait for His return call. He always answers. Yes, it is difficult to keep in touch, but don't

“You heavens above, rain down My righteousness;

let the clouds shower it down.

Let the earth open wide,

let salvation spring up,

let righteousness flourish with it;

I, the LORD, have created it.”
