

## Central America Mission Project Update

### REACHING THE UNREACHED: PASTOR AUDICIO AND THE MISKITO MISSION

Dear friends and partners in mission,

Greetings from the heart of Central America, where God’s Spirit is moving powerfully among the Miskito people. Pastor Audicio, Adventist World Aviation’s missionary for this region, continues to serve faithfully, bringing hope, healing, and the gospel to eight remote Miskito communities—places where the name of Jesus is only now being heard and embraced.

This past month, we have seen God work in remarkable ways, but one story stands out above the rest: **Antonio**.

Antonio had long resisted God’s call. While his wife quietly nurtured her faith, Antonio kept his distance—skeptical, guarded, and unmoved by the message of hope. But God never let go. Through countless visits, prayers, and the persistent love Pastor Audicio and his team showed, a change began. And then, the Holy Spirit did what only He could do—**Antonio’s heart softened**.

This month, Antonio made the life-changing decision to follow Jesus. His baptism is planned for next month, and we look forward to sharing photos and his powerful testimony with you. We are reminded once again: **no one is beyond the reach of God’s grace**.

We believe Antonio’s story is just the beginning. Pastor Audicio continues to walk miles, cross rivers, and traverse rugged terrain to minister to these communities. He offers Bible studies, support to local churches, and friendship to those who have never encountered the love of Christ.

But none of this is possible without you.

Your prayers and donations are the lifeline of this mission. Without your faithful support, the gospel could not reach the Miskito villages. Your generosity makes an eternal difference—one life, one village at a time.

Please continue supporting Adventist World Aviation as we bring the hope of Jesus to the remotest corners of Central America.

With gratitude,

**The AWA Central America Team**
