

CELEBRATING LIFE AND DEATH

By Pastor Leo | Guyana AWA Missionary

It is with deep sorrow that we announce the passing and burial of our beloved Sister Alice Peters, the dear mother of our brother Tony Peters. The funeral occurred on Saturday, July 19, 2025, in Mabaruma, Guyana.

This was a time of significant loss for the Peters family and everyone who knew and loved Sister Alice. In this challenging moment, Pastors Colin and Leonardo (Pr. Leo), of the Seventh-day Adventist Church, were present at the burial to offer their prayers, support, and comfort to the grieving family.

The pastors have also committed to continuing their visits and providing the necessary spiritual and emotional support to the family as they navigate this time of mourning.

We ask everyone to keep Brother Tony and his family in your thoughts and prayers. May God grant them peace, strength, and hope in this season of sorrow.

Pastor Leo Dedicates Two Children in Mabaruma, Guyana

In a heartfelt ceremony held recently in Mabaruma, Guyana, Pastor Leo dedicated two children to the Lord (Kishan Melville and Kevin Paul - in green), emphasizing the importance of nurturing their spiritual growth from a young age. The event brought together families and community members, celebrating the blessings of children within the church.

During the dedication service, several uplifting hymns for children were sung, including “Jesus Loves Me,” “This Little Light of Mine,” and “He’s Got the Whole World in His Hands.” These songs filled the atmosphere with joy and reinforced the message of God’s love and protection over His little ones.

Pastor Leo shared a powerful message from the Bible, referencing Matthew 19:14, which states, “Let the little

children come to me and do not hinder them, for to such belongs the kingdom of heaven.” This verse highlights the significance of children in God’s eyes and reminds everyone present of their value and potential.

In Mabaruma, it is common for young girls to become pregnant at an early age, presenting challenges for families in the region. In response to this issue, the Seventh-day Adventist Church has been actively working to provide information and raise awareness within the community. They emphasize the importance of waiting for the right time for family planning, echoing the biblical truth that “there is a time for everything under heaven” (Ecclesiastes 3:1).

Through educational programs and community outreach initiatives, the church aims to empower families with knowledge and support, helping them make informed decisions about their futures. Pastor Leo’s dedication ceremony serves as a reminder of the church’s commitment to guiding and nurturing the children and their families within this vibrant community.
