

208 Mission Challenge

What \$20 a Month Can Do: Join the Mission Challenge to Change Lives

In a world where need is great and resources are often stretched thin, small commitments from compassionate hearts can create a tidal wave of hope. Today, we invite you to participate in something life-changing, for just \$20 a month.

We're on a mission: to expand our reach through world missions and continue our life-saving Angel Flights. But we can't do it alone. We need 208 donors to say yes to the Mission Challenge.

What Is the Mission Challenge?

The Mission Challenge is a call to action—an opportunity for individuals like you to join a powerful community of monthly givers who believe in serving others through aviation and outreach.

For just **\$20 a month**, you can help us:

1. **Provide emergency Angel Flights** for patients needing critical care far from home.
2. **Support global mission efforts**, reaching isolated areas with medicine, supplies, and hope.
3. **Keep our planes in the air** and our missions on track—safely and efficiently.
4. **Train and equip volunteers** and pilots who give their time to serve others with skill and compassion.

Why 208 Donors?

It's simple math with a profound impact. Suppose 208 people step forward with a monthly gift of \$20. In that case, we will meet a vital funding milestone that will directly sustain and grow our ability to serve those in need at home and worldwide.

That's just **\$0.66 daily**—less than a cup of coffee.

The Impact Is Real

1. A child with a rare condition gets to the specialty hospital that could save their life.
2. A rural village receives life-saving medicine flown in by one of our mission aircraft.
3. A family in crisis finds hope because someone, somewhere, decided to give.

These are not stories of fiction—they're real lives, real flights, real missions. And they're made possible by donors like you.

We Can't Do It Without You

You might not be able to fly a plane or travel to a distant mission field, but your **\$20 a month** sends someone who can. It fuels the wings of mercy and opens the door to healing and hope.

Will you be one of the **208**?

Will you take the **Mission Challenge**?

Your generosity could be the lifeline someone is praying for today.

Join us now. \$20/month. 208 donors. Endless impact.

Together, we can lift others higher.
