

PLANS FOR GUYANA PROJECT

Dear Friends and Donors,

With great joy and gratitude, we begin another year filled with opportunities to impact lives in Guyana! January marks a new chapter in our journey, and we want to share with you a glimpse of what God has done and our plans for 2025.

We are in Brazil, entirely dedicated to flight training to obtain our pilot licenses—an essential step to resume our humanitarian

and missionary flights in Guyana. By God's grace, we are close to completing this critical phase. Soon, we will be able to reach even more remote communities in the region, expanding our area of influence and bringing hope and help to those in need.

Our hearts burn with the desire to serve and transform lives. This year, we have big dreams and count on your prayers and support to make these plans a reality:

1. Start a Pathfinder Club: Provide a space where children and youth can learn, grow, and develop Christian values.
2. Acquire a throttle control for the boat. This will enable us to reach remote riverside communities and bring spiritual and material support.
3. Strengthen our Center of Influence: We plan to equip it with:
 - A water filter to provide clean water to the community.
 - Insulation for the center's ceiling reduces the heat caused by the zinc roofing.
 - Health materials for community care and visits, including a digital blood pressure monitor, glucometer, oximeter, thermometer, and scale.
 - A TV for educational and evangelistic presentations.
 - Supplies for academic tutoring, helping children and youth reach their potential.

4. Intensify evangelism: We plan to hold special weeks of evangelism and, by God's grace, organize a mission trip with volunteers from Brazil to impact the town of Mabaruma and its surrounding communities.

Each of these projects is an opportunity to demonstrate God's love practically and impact lives for eternity.

We Rely on Your Prayers and Generosity!

Moving forward with these plans, we recognize that we can do nothing without divine guidance. We humbly ask for your prayers so that, by God's grace, we may reach as many people as possible. Additionally,

we invite you to contribute to this mission through your donations, essential for making these projects a reality. Every prayer and every act of generosity make an eternal difference.

Thank you for walking with us on this mission. You are an essential part of everything we accomplish. May God richly bless you and your family in this new year!

With gratitude and hope,

Roberto and Suellen – Mission Guyana Project
