

# HE IS IN CONTROL

**Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus. Philippians 4:6-7**

When I returned from a break in March, I was exhausted from 17-plus hours of jet lag and a touch of travel illness.

Walking through the front door, I dropped my suitcase and purse in the dining room and promptly went to bed. I ignored unpacking them for about a week!

When I unpacked and put everything back into its rightful place, I put the suitcase in the designated closet, travel items in the bathroom, and my passport back in its drawer, safe and sound.

A few weeks later, I realized I needed my passport to book a flight for the Toronto Campmeeting, so I went to the drawer to retrieve it. It was not there. I thought back to when I arrived home; I knew I had seen it last when I boarded my flight back to Kelowna. I was positive I had tucked it away in the same spot I always did. But had I?

I went room by room, looking in every drawer, closet, bag, and purse I had used.

Twice, I tore apart, rearranged, and vacuumed the AWA home office, looking in every drawer, shelf, and Airways magazine box. It was nowhere to be found.

So I sat down, prayed, and waited, leaving it in God's hands for one week just to set it aside and stop stressing.

Once again, I looked everywhere in the AWA office and finally resigned to applying for a new passport. I didn't want to get a new one because I have two years left until it expires. It would cost \$120.00. I have treasured travel stamps in my passport from the Philippines, Nicaragua, and the USA; seven years of travel with AWA, not including personal trips.

I will forever remember the date of Friday, April 25th, as I lay in bed wide awake at 4:00 am, searching my thoughts. I let go of the stress of looking for it one last time and allowed my faith in prayer to take over. I said one last prayer: "Lord, where is it? I leave it in your hands to reveal to me."

All of a sudden, I indistinctly heard a voice inside my head. **"Check behind the office printer."**

I had checked there multiple times before in my frantic, full-on searches, and it wasn't there. I got up, checked behind the printer, and praised the Lord; there it was! What a miracle.

It was in God's hands all along. He held it for me until I had faith and trusted Him, reaching out to him in persistent prayer: **ask, seek, knock, and you shall find.**

**"Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: for every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened."** Matthew 7:7-8 KJV

### Summer Schedule

**May 2-3, 2025**—Mini Campmeeting Kelowna, BC—Promoting AWA in my hometown is always a blessing. I had the opportunity to set up a booth in the Okanagan Christian School foyer, share recent updates about AWA projects, and hand out pamphlets on the Northern Ontario Project and Airways magazines.

**May 30-31**, Campmeeting Toronto

**July 18-23**, Campmeeting Bowden, AB at Foothills Camp

**July 25-August 3**, Campmeeting Hope, BC

If you're attending the Toronto, Bowden, or BC CampMeeting, please see me at the AWA booth so I can thank you in person for supporting the Northern Ontario Project and all the Projects' needs.

Your donations keep the Project going; outreach would not be possible without you.

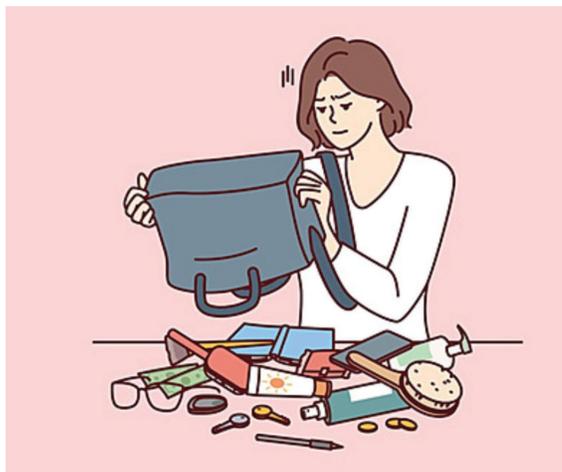

Elbows up, Canada.

Now is the time to donate,

Julie Young
