

MAY WE ENTERTAIN THE ANGELS

*(Please listen to the song entitled “Entertain the Angels”
by Heather Sorenson while reading)*

The month of love has finally arrived; you can see it all over social media. It’s been a long practice of showing extra love to those we cherish the most on Valentine’s Day. God has been so loving to each and every one of us. Even though we commit trespasses against Him, He is merciful and kind enough to give us another chance to prove to ourselves that we are heaven-worthy.

The island of Palawan welcomed February with continuous heavy rainfall, which caused flash floods in

significant places such as Puerto Princesa City and the municipality of Aborlan, where our base is located.

Through the initiative of our District Pastor, a donation drive for our brethren that was victimized by the flood was organized. As the Secretary of the Aborlan District Youth Officers, I joined the volunteers in packing food supplies and hygiene kits for the flood victims. AWA Philippines also supported mainly on logistics using our motorbike and truck to transport the volunteers and the food packs to the evacuation centers.

We are not merely a neighbor who lives like a stranger to the people around us. Let us not focus only on our daily cares. God's blessings are always just enough for us, and when they overflow, they are a message that we are being used by God as a channel of blessings to others. I'm encouraging everyone to support in every way possible the ministry of God. May we never turn a blind eye on the people God is calling. In doing so, as we are faithful, we can entertain the angels.

Thank you for your support and prayers for the Philippines project. Without you, our readers and donors, we wouldn't be able to help the people in need.
