

OPENING OF THE PATHFINDER CLUB IN MABARUMA, GUYANA

By Pastor Leo | Guyana AWA Missionary

On Sunday, August 31, 2025, a joyful and inspiring event occurred at the Seventh-day Adventist Church in Mabaruma, Guyana: the official opening of our Pathfinder Club. Under the guidance and leadership of Pastor Luiz Rocha and Pastor Leo, this new chapter began with much enthusiasm and prayerful dedication.

The program opened with the Pathfinder Song, beautifully sung by the group, followed by a heartfelt prayer from Sister Veron, lifting the entire program into God's hands. Pastor Leo then shared the devotional message from Matthew 24:14, reminding everyone—especially our young people—that we are called to carry the everlasting gospel to all nations until Jesus comes again.

After the devotional, the Pathfinders participated in uplifting spiritual activities that strengthened faith and fellowship. Smiles, joy, and a spirit of commitment filled the hearts of all present.

Launching the Pathfinder Club in Mabaruma is more than just the beginning of a program—it is a mission. It is a place where young people will grow in faith, develop character, and learn to serve God and their community with love and dedication. Truly, this is a blessing for our church family and the future of God's work in this region.
