

THE WORD THAT CHANGES LIVES

A TESTIMONY MADE POSSIBLE BY YOUR SUPPORT

Dear Adventist World Aviation family,

Because of your generosity, people across remote Miskito communities are receiving, for the very first time, the Bible in their own language. Each Bible costs only \$6, and thanks to your donations, we've already been able to provide a little portion of the 1,400 Bibles goal.

Every copy of God's Word that reaches a hand brings light into a heart—and this is one of those stories. Meet Doryan Cornejo, whose life was transformed when he received one of these Bibles made possible by your giving.

My Life Before—and the Transforming Power of His Word

By Doryan Cornejo

The Emptiness Before the Light

There was a time in my life when I felt like a ship adrift at sea.

I tried to fill the emptiness inside me with so many things—distractions, shallow successes, fleeting relationships. Still, at the end of the day, anxiety and dissatisfaction were my constant companions. I was living guided by fear and my own limitations, with no firm anchor in life.

The Encounter with Truth

My transformation didn't happen overnight—it began the day I opened the Bible in my language. At first, it was just an old book. But as I began to read the Scriptures, something powerful happened. The Word of God—especially in passages like *Jeremiah 29:11* and *Romans 12:2*—stopped being ink on paper and became life and truth that spoke directly to my soul.

1. I discovered my true worth: Before, I defined myself by my mistakes. Now I understand that I am loved and forgiven by God. His Word became a lamp to my feet and a light to my path (*Psalm 119:105*). My decisions stopped being driven by

emotion and began to be grounded in eternal principles.

2. Peace in the midst of the storm: My challenges didn't disappear, but the way I face them has changed. Now I experience the peace that surpasses all understanding, because I trust that God is in control.

The most significant change isn't in what I do—it's in who I am.

My character is being reshaped. Where there was bitterness, now there is forgiveness. Where there was hurry, now there is patience. Where there was selfishness, now there is a desire to serve.

The Word confronted me with my flaws but always offered the grace to rise again and move forward. This

transformation continues each day as I meditate on what I read.

If you're reading this and feel that same emptiness I once felt, I assure you—the answer is not found in more of the same, but in immersing yourself in the Word of God. It is food for the soul and a power that truly transforms from the inside out.

My life today is a testimony to the unchanging, life-giving power of God's Word.

Thank you for helping make stories like Doryan's possible. Every Bible you help provide is a seed of transformation in the heart of someone hungry for hope.

Will you help us reach the remaining goal?

Together, we can place God's Word in every waiting hand.

Thanks For Your Support!
