

BRINGING THE WORD OF GOD TO THE MISKITO PEOPLE A TESTIMONY MADE POSSIBLE BY YOUR SUPPORT

Dear Adventist World Aviation family,

Thank you for your continued generosity and prayers. Because of your support, AWA continues to reach remote communities where aviation is not a luxury but a lifeline. Today, I want to share a powerful testimony that reminds us why our mission matters—and why your support for the **Miskito Bible Project** is still urgently needed.

A Life Transformed by the Word

Testimony of Ricardo Martinez

For years, Ricardo's life felt like an endless search. He had a good job, good friends, and stability—but still carried a deep, painful emptiness within him. He tried

filling that void with career success, parties, self-help books, positive-thinking gurus, and what Paul describes in Colossians as “philosophies and empty deceits.” Each new idea excited him for a moment, but the emptiness always returned—stronger than before.

Then one day, a coworker gave him a simple gift: a Bible.

“Ricardo,” she said, “you’ve searched for truth in human wisdom. Why not look for it in the Word of God?”

He began reading the Gospel of John. At first, it was only an intellectual exercise—until he reached John 8:32:

“You shall know the truth, and the truth shall set you free.”

He realized this was more than ink on paper—it was a promise.

Through Scripture, Ricardo discovered:

1. **His true condition:** He needed forgiveness, not just a new mindset.
2. **A Person, not a philosophy:** He stopped chasing principles and found Jesus, the center of all truth (Colossians 2:9).
3. **A new foundation:** God’s Word became his daily bread. If a teaching was not “according to Christ” (Colossians 2:8), he knew it wasn’t the way.

Slowly but deeply, his life changed. Anxiety loosened its grip. Purpose replaced confusion. The fullness he had searched for everywhere else, he finally found in Christ—realizing he was “complete in Him” (Colossians 2:10).

Today, Ricardo testifies:

“If the Word of God could free someone like me—who searched for life in all the wrong places—it can transform anyone.”

Why Your Support Matters

Ricardo’s story is powerful—but thousands of Miskito families still cannot read the Bible in their own language. Thanks to your generosity, we have already been able to purchase and deliver **a large number of Miskito-language Bibles** along the Río Coco region. Many are hearing the Word of God in their heart language for the first time.

But the need is still great. Entire villages share only a few Bibles. New believers are waiting for their own copy. Doors are open, hearts are open—and with your help, we can do so much more.

How You Can Help

Your gift today will help us:

1. Print and purchase more Miskito-language Bibles
2. Place God’s Word directly into the hands of families, pastors, and young people hungry for truth

Will you help us continue this life-changing project?

Every Bible delivered is another life that can be transformed—just like Ricardo’s. Thank you for standing

with us, for believing in this mission, and for helping us bring the light of God’s Word where aviation opens the way.
