

## GOSPEL PREACHING IN GUYANA EXPECTATIONS FOR 2026 BY PASTOR LEO

As we step into 2026, the spirit of evangelism in Guyana is vibrant and full of hope. The commitment to spreading the Gospel is stronger than ever, and we anticipate a transformative year ahead.

### 2026 Goals for Evangelism:

- **Increased Outreach:** We aim to expand our reach into remote communities, ensuring that the message of Christ is accessible to everyone. This includes organizing community events and partnerships with local churches.
- **Empowering Leaders:** Training and equipping local leaders will be a priority. By investing in those who are passionate about sharing the Gospel, we can create a sustainable impact that continues to grow.
- **Engaging Youth:** Engaging the younger generation in evangelism is crucial. We will host youth camps and workshops that focus on leadership and outreach, helping to foster a new generation of passionate believers.

- **Community Revivals:** Throughout the year, we will hold revival meetings in various communities, inviting all to experience the love and grace of Jesus.

As we embrace the opportunities of 2026, we invite you to join us in prayer and support. We currently have two projects that need funding. We are trying to buy a truck to better serve the community. This will cost us about \$40,000. The other project we need help with is fixing our boat so that we can reach the riverside families. This will cost about \$8,000. Your involvement can make a significant difference in our mission to preach the Gospel and uplift communities across Guyana - Mabaruma.

Together, let's make 2026 a year of hope, transformation, and spiritual growth!
