

Nicaragua Mission Update – Lives Are Being Changed Through God's Word

BY AUDICIO JIMENEZ

Dear Friends and Supporters,
Greetings in the name of Jesus!

Today, we want to share with you a powerful testimony that reminds us why this ministry matters and why your generosity is making an eternal difference among the Miskito people of Nicaragua.

Because of your faithful prayers and financial support, Adventist World Aviation has already distributed 2,950 Bibles throughout remote Miskito communities that would otherwise have little or no access to God's Word. Every Bible placed into someone's hands is a seed of hope, transformation, and eternal life.

One of those lives belongs to **Ronald Rojas**, whose testimony reflects the impact that Scripture is having across Nicaragua.

From Darkness to Light: A Testimony of Transformation

My Life Before: Absolute Emptiness

For a long time, my life was marked by a deep sense of emptiness. On the outside, everything appeared to be under control. Still, inside I carried an invisible burden: uncertainty, a lack of purpose, and a constant weariness of the soul.

I tried to fill that void with human goals, the approval of others, and the distractions of everyday life, but nothing was enough. At the end of each day, the feeling of loneliness remained unchanged. I was living in my own strength, and that strength was running out.

The Encounter: The Power of God's Word

The real change did not happen by coincidence, but through a divine appointment. At a moment of complete frustration, when I felt I could go no further, the Word of God came into my hands. It was not simply reading an ancient book; it was experiencing those words come alive and speak directly to my situation.

One verse broke my pride and brought light into my heart: "Come unto Me, all ye that labor and are heavy laden, and I will give you rest."

— Matthew 11:28

As I confronted the Scriptures, I realized that I did not need to figure life out on my own. Instead, I needed to surrender my will to the One who created me. The Bible ceased to be a distant text and became a mirror showing me my need for a Savior, and a compass guiding my first steps toward truth.

My New Reality: A Transformed Life

Today, I can testify that the Word of God has the power to transform even the hardest heart and restore what once seemed completely broken. This does not mean that difficulties have disappeared or that life has become perfect. However, my response to life's storms is entirely different.

Lasting Peace: My constant anxiety has been replaced by a peace that surpasses understanding, knowing that my life is in the hands of my Creator.

Clear Purpose: I no longer drift aimlessly. God's Word shapes my decisions, my character, and the way I treat those around me.

Secure Identity: My worth no longer depends on achievements or the approval of the world, but on what God says I am—His child, forgiven and redeemed.

The Word of God has not only changed my way of thinking; it has changed my eternal destiny. I have passed from death to life, from emptiness to fullness, and there is no turning back.

Thank You for Making This Possible

Friends, Ronald's story is only one among many. Every Bible delivered represents another opportunity for someone to discover Jesus, experience forgiveness, find hope, and begin a new life in Christ.

Through your support, Adventist World Aviation missionaries and local church leaders have now distributed **2,950 Bibles** among the Miskito people of Nicaragua. We praise God for this milestone, but the need remains great.

Our Next Goal: 15,000 More Bibles

Thousands of families in remote villages are still waiting to receive their first Bible. Our prayer and vision is to distribute an additional 15,000 Bibles throughout the Miskito region.

1. Cost per Bible: **\$6**
2. Goal: **15,000 Bibles**
3. Total need: **\$90,000**

For just **\$6**, you can place the Word of God into the hands of someone who may never have owned a Bible before.

For **\$60**, you can provide 10 Bibles.

For **\$600**, you can impact an entire village with 100 Bibles.

Together, we can continue bringing the Gospel to some of the most isolated communities in Central America.

A Message from Adventist World Aviation

Thank you for believing in this mission. Thank you for praying. Thank you for giving. The airplanes, boats, trucks, and missionaries are important tools, but the greatest gift we can deliver is the Word of God. As Ronald's testimony demonstrates, a single Bible can change a life, a family, and ultimately an entire community.

Please continue to pray for the Miskito people and consider helping us place 15,000 more Bibles into waiting hands.

"Your Word is a lamp unto my feet, and a light unto my path." — Psalm 119:105

"Reaching the unreachable with the love of Christ."

**Thanks For
Your Support!**
