

AWA WINGS FOR HUMANITY MISSION

MABARUMA, REGION 1, GUYANA

NEWSLETTER -JUNE 2026

Greetings from Mabaruma!

What a blessed month it's been as we continue to serve God and our community together. Thank you for your faithfulness, prayers, and hands-on support.

Ministry Highlights

1. Continuous Church Service

Our weekly services have remained strong and Spirit-filled. We're grateful for everyone who's come to worship, bringing visitors and new faces each Sabbath.

2. Children's Sabbath School

Our kids are growing in faith! Sabbath School lessons have been engaging, with crafts, songs, and Bible stories that keep our children excited to learn about Jesus.

3. Home Visitation & Bible Study

The visitation team has been actively going into homes for Bible study and prayer. These visits have encouraged members and reached those unable to attend church regularly.

4. Caring for the Elderly

We have also been blessed to visit and provide some basic food items for the elderly. Meeting the practical needs of our church family helped us remember that Christ's method is always the best. Thank you to donors for your generosity. They are touching lives directly.

5. Distributing Little Girls' Dresses

During one of my outreach visits, I had the joy of distributing dresses to little girls in the community. Seeing their smiles and excitement reminded us how

small acts of kindness can bring big encouragement. Thank you to everyone who donated these lovely dresses and supported this effort.

Porch Renovation – In Progress

We're upgrading our church porch from wood to concrete to improve safety and durability. Work is underway thanks to your generous support.

Service Project for Mr. Stoll

We recently installed a new walkway at the home of pensioner Mr. Stoll to improve his access. It's a small act, but a big blessing to see him able to move more easily.

Upcoming Activities

- Continuous church services and Sabbath School
- Cooking of meals each Sabbath for fellowship
- Home visitation to do Bible study
- Completion of the porch renovation as funds allow
- Cleaning of the Mission building yard
- Painting of the pavement in front of the Mission building
- Repairing the truck: thanks to donors, we have already purchased the steering end and will install it soon

Thank You to Our Donors

A heartfelt thank you to all donors who have already supported these projects, and to those who are preparing to give. Your generosity is making this work possible. Please continue to pray for AWA Wings for Humanity as we press forward in service.
